

CALOMEL WHEN BILIOUS? NO! STOP! "MAKES YOU SICK AND SALIVATES"

"Dodson's Liver Tonic" is Harmless To Clean Your Sluggish Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all-knocked-out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tonic tonight on my guarantee.

Here's my guarantee—Go to any drug store, and get a 50 cent bottle of Dodson's Liver Tonic. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tonic is destroying the sale of calomel because it is real liver medicine; entirely vegetable therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't grip and they like its pleasant taste.

A Bit of Wasted Effort.

The recruits were going through their first course of musketry, and they were in charge of a full-grown second lieutenant who was trying to show his authority together with his great knowledge of musketry. Sauntering up to the latest recruit, he said:

"See here, my man, this thing is a rifle; this is the barrel; this is the butt, and this is where you put the cartridge in."

The recruit seemed to be taking it all in, so the officer continuing said: "You put the weapon on your shoulder; these little things on the barrel are called sights; then, to fire, you pull the little thing, which is called the trigger. Now, smarten yourself up, and remember what I have told you, and remember what I have told you, and by the way, what trade did you follow before you entered—a soldier, I suppose?"

"No, sir," came the reply. "I worked as a gunsmith for the government small arms factory."—N.Y. Bits.

Our community has been saddened this week by the death of Mr. Andy Brock which occurred at his home in Williamston on Tuesday afternoon.

Mr. Brock had been in ill health for sometime but his death was unexpected and came as a shock to his many friends. For many years his home was in Cheddar and while living here people knew him as an industrious, substantial citizen and a good neighbor. Funeral services were conducted by Rev. M. McCuen after which interment was made in Cedar Grove cemetery.

On last Sunday morning one of the greatest revival meetings in the history of our church came to a close. As a result of this meeting twenty nine new members were added to the church. Rev. McCuen was ably assisted by Rev. Crawford pastor of the First Baptist church of Pelzer, who has long been a busy worker in the Master's service. By his earnest, zealous preaching and deep interest in the souls of men his influence was strongly felt in the church. Each service was well attended and at night the house was crowded, doors and windows filled while yet a large number was compelled to stay on the outside.

On Sunday morning at the closing service the new members were asked to come to the front but there was no standing room in the church. The pastor then requested the congrega-

PENLETON.

Mr. and Mrs. Eugene Sliton of Austin gave a very charming party Tuesday evening in honor of their house guests, the Misses McFall, Miss Majors and Miss Vera McPhail. Mr. and Mrs. Sliton being young people themselves entered into the spirit of the evening so heartily, that every one had a most delightful time and sighed with regret when the hour came to say good night.

The Thursday Club meet at the home of Mrs. Grace Searlight. Though Mrs. Searlight has been living here but a short time, she has made very many warm friends. The cozy little home and the handsome young hostess gave a very gracious welcome to the club, who enjoyed the pleasant afternoon.

Miss Edwin Turner added greatly to the pleasure of the occasion by her very clever recitation of "The Witch." Most delectable refreshments of peach cream and crisp tea cakes were served.

"Topsy Turvy" a bright and amusing comedy will be presented at the school hall here this coming Tuesday night. It is given by some talented young people from River Heights. This is the third time they have presented this sparkling and most enjoyable play. This acting is unusually clever and spirited. One will be well paid who attends. We hope they will be welcomed by a full house.

Miss Bettie Terrie entertained some of her friends Monday evening it was an informal affair and every one had a happy time, as the young folks like to go to the hospitable Terrie home.

tion to assemble in the grove where in the old-fashioned way the church extended the hand of Christian welcome to these strong young men and women who had pledged their lives to God, while the choir sang, "Jesus Lover of My Soul."

The Very Latest, the Polo Maid.

At the Newport fashion show given by Mrs. Hermann Geirichs two mannikins attired alike rode Mr. Geirichs polo ponies, Giarickie and Highball. These mannikins wore suits of white silk and breeches of white flannel. A striking skirt and doublet of Italian silk in a wide black and white stripe gave an air of daring to the costume, and the stitched black velvet hat trimmed with white band, and held in place by a chin strap, completed the jaunty effect. With this costume was worn a pair of patent leather, laced boots, surmounted by patent leather puttees.
